

Agroforestry in Germany

Rico Hübner (huebner@defaf.de)

AGROFORESTRY IN CZECHIA

organized by

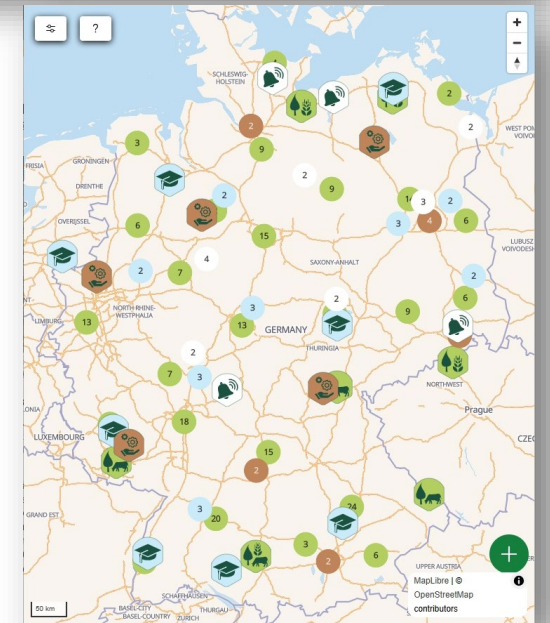

The Czech Agroforestry Association
on the occasion of its 10th anniversary

Short note on DeFAF

- Founded on 25. June 2019, office in Cottbus
- 8 thematic working groups, 13 employees
- Website: www.defaf.de

Goal: Support of agroforestry practices in Germany

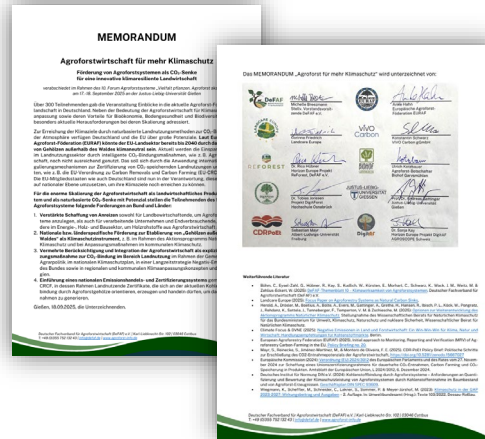

- Sensibilisation for topic, advisory service, provisioning of information on agroforestry
- Networking: practitioners, sciences, politics
- Scientific support for policy advocacy

International cooperation with CZ

- 09/25: Exkursion
- 09/25: Memorandum on Climate protection
- English handbooks and pamphlets
 - DeFAF in a nutshell
- 09/24: Landcare Europe
 - Pardubice Workshop & Fokus paper on Agroforestry Systems as Natural Carbon Sinks
